

Pricer aligns teams and streamlines document flows using Smartsheet

“The great thing about Smartsheet is that you can find common ground with anyone using the workflows, formulas, and forms to build enterprise solutions.”

Giacomo Crucinio,
Head of Professional Services, Pricer

Pricer at a glance

30

years of bringing trust to retail

+100

worldwide partners installing Pricer solutions

18,000

stores equipped in more than 70 countries

The challenges before using Smartsheet

Growing teams

A sprawling web of licence and contract documents

No tool to bring them all together

One Smartsheet, countless possibilities

A custom solution built on Smartsheet capabilities to automate repetitive tasks and ensure visibility of the project portfolio, putting Pricer management in control of all projects, documents, and data.

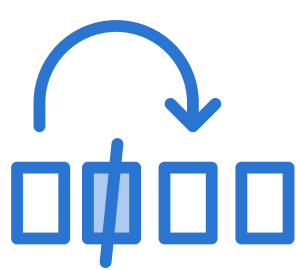

HR management tool

60%

faster HR contract turnaround

Order management tool

1day

instead of 1 month needed to reconcile data

Dynamic dashboards

66%

time saved on projects meeting
